Lodge News

Brethren,

Grand Master Gene Jernigan has set his itinerary, and Holland Memorial Lodge #668 has been selected to host his official district visit!

This will be an emergent communication on Monday, April 24, 2006 at our lodge. The plan is to have the masters from all of the district lodges filling the officers chairs. Our master will open the lodge on emergent communication, admit and greet the DDGL and the DDGM, then turn the proceedings over to the DDGM. The DDGM will announce Grand Master Gene Jernigan and whomever among his entourage who might want to be recognized, then the Grand Master Gene Jernigan will preside over the east throughout the meeting and close the lodge.

This is a wonderful opportunity for our lodge and the entire district to gain some insight into the official direction which Grand Master Gene Jernigan intends to steer the Grand Lodge with its many issues, and to informally glean some perspective on issues that effect us specifically such as fund raising as it relates to our Temple Association and among other things.

Officers

Personal Thoughts on Masonry

Brethren:

The search for "More Light in Masonry" is a never-ending trip though life. Some Scholars say the quest for "The Holy Grail" is a search for the chalice from which Christ drank during the last supper. Others say it is the object of a prolonged endeavor. Our search for "More Light" is a prolonged endeavor in our hunt for understanding, brotherhood, and fellowship. We will never reach the completion for "More Light" as we travel on our quest.

Fraternally,

W. H. Keenum
